

# VIDEO CONFERENCE LIGHTING

Professional Lighting for Video Conferencing, Remote Working, Webinars, & Self Broadcasting

## LUME CUBE VIDEO CONFERENCE LIGHT

A portable & mountable lighting solution designed to improve Zoom calls, video conferencing, and remote working

The Lume Cube Video Conference Lighting Kit will enhance the way you work online. Compatible with both Laptops and Desktops, this credit-card sized LED light provides a soft and professional atmosphere so you can do your best work. This light is fully adjustable from brightness to color temperature and has up to 14 hours of run time. If you are hard at work and need more time, simply plug the device into your computer's power source and run the light until it's time to take a break.

### WHAT'S INCLUDED
