VOYAGER 8200 UC

Wherever work takes you, the Plantronics Voyager 8200 UC Bluetooth headset is ready to block out background noise so you can focus on your work, calls or playlist. With its contemporary, four mic boomless design, multi-device connectivity and active noise canceling, you can easily leave distractions behind.

KEY FEATURES

- A Smart sensor technology
- B Call answer/end
- C Dedicated mute/open listening mode
- D 3.5 mm jack
- E Four microphone boom-less design
- F Dual-Mode ANC
- G Intuitive volume and music controls
- H USB Bluetooth adapter with mute indicator

TOP FEATURES

- Dual-paired omni-directional microphones with enhanced digital signal processing (DSP) optimize your voice while minimizing background noise
- Best-in-class dual-mode active noise canceling (ANC) lets you choose your preferred noise-reduction level
- Dynamic mute alert detects and notifies you when you talk while on mute
- Smart sensors allow you to answer calls by simply putting on the headset and automatically mute your calls or pause your music by taking it off
- Contemporary, boomless design satisfies style-conscious professionals
- 3.5 mm cord extends your listening time and is optimal for in-flight use
